**Collection:** MBRACE by Sebastian Herkner takes a joyfully unconventional approach to poolside furniture, bringing DEDON fiber seating and a solid teak base together for the very first time. The result is an eye-catching, instantly likable collection for lounging, dining and more. MBRACE captures the spirit of barefoot luxury while extending the DEDON design language into new, more Nordic territory.

**Characteristics:** Friendly, engaging, embracing, innovative, exceptionally comfortable

**Wing chair:** This wing-back lounger features a triaxial open-weave seat, a solid-teak base and a choice of comfortable cushions.

**Frame:** The frame consists of aluminum. The base consists of premium teak.

**Finishing:** The frame is electrostatic powder-coated in a color similar to that of the fiber. The base consists of natural-finish teak.

**Frame maintenance:** Clean with a soft cloth and warm water. Wash the teak base using DEDON teak cleaner. To retain the golden-brown color of unweathered teak, we recommend applying DEDON teak oil at least once in every six months.

**Cushion maintenance:** While the covers cannot be removed, the complete cushions may be washed by hand at 30 °C / 86 °F.

**Options:** This item is also available with a headrest cushion.
