

Form Café

Clean and contemporary café tables

normann

C O P E N H A G E N

For those intimate moments

Timeless café tables with a centered steel base and wood, linoleum or marble tabletops complete the Form series' versatile table selection. The tables are adjusted to the Form chair and the two heights of Form barstools so that they complement each other proportionally. The Form café table is particularly well suited to the decor of bars, restaurants, lobbies and receptions, but will also work perfectly in a kitchen's little eating area in private homes.

Form café table in black wood, shown with Studio chair and Bell lamp
