# Product

Stacking chair with or without arms, for domestic use and contract (bars and restaurants). The legs are made of aluminium and painted in polyester powder. The seat is in die-cast aluminium, also painted in polyester powder. Suitable for outdoor use.

Plato without Armrest

Plato with Armrest

## PRODUCT CARE

We recommend using a soft rag, either dry or wet. When needed, use ph-balanced soap diluted in water. Do not use abrasive sponges as they may leave scratches. Avoid using acidic products, solvents and products containing ammonia. Periodic and correct maintenance allows the product to keep its original aspect and lengthens the duration of its performance.

## WARNING

Do not use different cleaning products from the ones mentioned above. Do not use the product in an improper way. Do not place hot objects on it, sit on the back, stand on it or use the product as a ladder. Once disused, please make sure that this product is disposed in an environment-friendly way.
